

Everything You're Not

Demi Lovato

1. I've been bruised and I've been broken
Can't believe that I put up with all this pain
I've been used and I was choking on the promise
I would never fall again

I used to sing to your twisted symphony
The words that had me trapped inside your misery
But now I know the reason why I couldn't breathe

R: 'Cause all I want is everything you're not
So go ahead and slam the door
'Cause you can't shut me out
No I don't, I don't care what you say
'Cause all I really, all I really want
Is everything you're not

Everything you're not not not...

2. Your darkness was my weakness
But it turns out that it only went so deep, deep
A meaningless diversion that is all that you
Ever meant to me, me, me, me

And I am done with your twisted symphony
The words that had me sound like stolen poetry
I tore the pages and I can finally breathe
'Cause all I want is everything you're not

3. So go ahead and slam the door
'Cause you can't shut me out
No I don't, I don't care what you say
'Cause all I really, all I really want
Is everything you're not

I want a gentleman who treats me like a queen
I need respect, I need love, nothing in between
I will not spell it out for you if you can't see
'Cause you're not worth it, you don't deserve me
And now I'm gone

R: Everything you're not, not, not
Everything you're not, not, not

One, two, three
'Cause all I want is everything you're not (thing you're not)
