Give Your Heart a Break

Demi Lovato

```
1.  The day I first met you
      you told me you'll
    never fall in love
     But now that... I get you
     I know fear is what
    it really was
     Now here we are so
    close yet so far
      Having not passed the test
      When will you realize
    C#(hold)
    baby I'm not like
    all the rest

R:  Don't wanna break your heart
    wanna give your heart a break
    I know you're scared as wrong
    that you might make a mistake
    There's just one life to live
    and there's no time
    to wait to waste
    So let me give your
    heart a break
    Your heart a break
    Let me give your
    heart a break
    Your heart a break
    oh yeah yeah

2.  On Sunday you went home alone
      there were tears in your eyes
       I called your cell phone
      my love but you did not reply
      The world is ours
      if we want it
      We can take it if you
    just take my hand
      There's no tur---ning back now
    C#(hold)
    baby try to understand

R: Don't wanna break your heart...
    + This is so much you can take
    give your heart a break
    Let me give your
    heart a break
    Your heart a break
    oh yeah yeah

*:   When your lips are on my lips
    then our hearts beat as one
    But you slip out of
    my finger tips
    Every time you run!
    C# (hold)
      whoa whoa whoa
```

```
R: Don't wanna break your heart...
   So let me give your heart a break
   Cause you've been hurt before
   I see it in your eyes
   You try to smile it away
   some things you can't disguise
     Don't wanna break your heart
   Baby you can ease the ache the ache
   So let me give your heart a break
   Your heart a break
   Let me give your heart a break
   Your heart a break
   This is so much you can take
   give your heart a break
   Let me give your heart a break
   Your heart a break, oh yeah yeah

   The day I... first met you
   G#m           C# (hold)
   you told me you'll
   never fall in love
```
