

Gonna Get Caught

Demi Lovato

1. You realed me in with your smile
You made me melt with your voice
Now I've been gone now for a while
Just to find
That I'm your seventh choice

*: And I don't wanna pay the cost
But it be best if you get lost
Cause we know you'll never change

R: Don't say that you need me
And don't play these games with my mind
You better get out of my head
Cause you're wasting your time
And don't say it's forever
And don't play cause you had your shot
You better stop messing around
Cause you're gonna get caught

2. You promised me all of your time
I guess I'm not the only one
But see it's my heart on the line
This time
I'm your number one
Or I'm gone

R: Don't say that you need me...

3. Go and try to get me back (you won't get me back, 2x)
Don't forget about our past Don't forget)
Now... Never had the guts to leave
But now you're making it
(Now you're making it)
Now you're making it
(You're making it)
Much easier for me to see

R: And don't say that you're sorry
For breaking every inch of my heart
I should've known from the start
Now it's time to get lost

R: And don't say that you need me...

You better stop messing around
Cause you're gonna get caught.
