- 1. You realed me in with your smile You made me melt with your voice Now I've been gone now for a while Just to find That I'm your seventh choice
- *: And I don't wanna pay the cost But it be best if you get lost Cause we know you'll never change
- R: Don't say that you need me
 And don't play these games with my mind
 You better get out of my head
 Cause you're wasting your time
 And don't say it's forever
 And don't play cause you had your shot
 You better stop messing around
 Cause you're gonna get caught
- 2. You promised me all of your time I guess I'm not the only one But see it's my heart on the line This time I'm your number one Or I'm gone
- R: Don't say that you need me...
- 3. Go and try to get me back (you won't get me back, 2x) Don't forget about our past Don't forget)
 Now... Never had the guts to leave
 But now you're making it
 (Now you're making it)
 Now you're making it
 (You're making it)
 Much easier for me to see
- R: And don't say that you're sorry
 For breaking every inch of my heart
 I should've known from the start
 Now it's time to get lost
- R: And don't say that you need me...

You better stop messing around Cause you're gonna get caught.
