

Here We Go Again

Demi Lovato

1. I throw all of your stuff away
And then I clear you out of my head
I take you out of my heart
And ignore all your messages
I celebrate when we got through
Cause I'm so much better without you
But it's just another pretty lie
Cause I break down
Everytime you come around
O Oh O Oh

R: So how did you get here
Under my skin?
I swore that I'll never
let you back in
Should have known better
In trying to let you go
Cause here we go go go again
Part of that joy I
know I can't quit
Something about you
Is so addictive
We're falling together
You think to find now I know
Cause here we go go go again

2. You never know what you want
You never say what you need
But I start to go insane
Everytime that you look at me
You only hear half of what I say
And you're always showing up too late
And I know that I should say goodbye
But it's no use
Can't Be With Or Without You
O Oh O Oh

R: So how did you get here...

*: Ohhh

3. I threw all of
your stuff away
And I cleared
you out of my head
And I tore you
out of my heart
O Oh O Oh
O Oh O Oh

R: So how did you get here...

Here we go again
here we go again
Should have known better
In trying to let you go
Cause here we go go go again
again again again...
