

# Hitchhiker

Demi Lovato

I can't explain what's going on  
Something happened  
When you came along, oh  
It's driving me crazy, crazy  
You're taking me to new places  
And I pretend I'm not anxious, but oh  
You're driving me crazy, crazy

I was walking down this broken road  
I was stranded, I was all alone  
Always played it safe when it came to love  
Until you came and picked me up

I've been waitin' all night,  
Lookin' for your headlights  
I know that we're strangers,  
But I'll leave it all for you  
Go anywhere you wanna go  
I don't really need to know,  
If my heart is in danger  
'Cause as long as you're the driver  
I'm your hitchhiker, yeah  
I'm your hitchhiker, yeah, yeah

Don't even know where we're going  
You make me live in the moment, oh  
Keep driving us, baby

I was walking down this broken road  
I was stranded, I was all alone  
Always played it safe when it came to love  
Until you came and picked me up

I've been waitin' all night,  
Lookin' for your headlights  
I know that we're strangers ,  
But I'll leave it all for you (yes I will)  
Go anywhere you wanna go  
I don't really need to know,  
If my heart is in danger  
'Cause as long as you're the driver  
I'm your hitchhiker, yeah  
I'm your hitchhiker, yeah, yeah

Take me where you wanna go (baby)  
As long as you're the driver,  
I'm your hitchhiker  
Yeah

I've been waitin' all night,  
Lookin' for your headlights  
I know that we're strangers  
But I'll leave it all for you (yes I will)  
Go anywhere you wanna go  
I don't really need to know,  
If my heart is in danger  
'Cause as long as you're the driver

I'm your hitchhiker, yeah  
I'm your hitchhiker, yeah, yeah
