

Hold Up

Demi Lovato

*: If the weapon is your love, I got my hands up (2x)

1. What's your hold up?

Broke in out of no where

You showed up

I'm in love

This height, got me skippin' a heart beat

I'm giving up

R: I wanna run, run, run away

In your get-away

Call, make a get-away

If the weapon is your love, I got my hands up

If you're gonna take me down, I surrender

I'll give you anything you want

Just don't leave me alone

This is a hold up, this is a hold up

If the weapon is your love, I got my hands up

2. Hey stranger

I'm addicted to the danger

Of the time

Know you're wanting

To keep me as your hostage

Tie me up

R: I wanna run, run, run away...

If the weapon is your love...

3. Everybody get down

Get down on the floor

Everybody get down

Or nobody gets hurt

R: If the weapon is your love... (2x)

*: If the weapon is your love, I got my hands up (2x)
