

## In Case

Demi Lovato

1. Pictures in my pocket  
Are faded from the washer  
I can barely just make out your face  
Food you saved for later  
In my refrigerator  
It's been too long since later never came

R: I know, one day eventually  
Yeah, I know, one day I have to let it all go  
But I keep it just in case  
Yeah, I keep it just in case

In case  
You don't find what you're looking for  
In case  
You're missing what you had before  
In case  
You change your mind I'll be waiting  
In case  
You just want to come home

2. Strong enough to leave you  
Weak enough to need you  
Cared enough to let you walk away  
I took that dirty jacket  
From the trash right where you left it  
Cause I couldn't stand to see it go to waste

R: I know...

3. You're looking in that mirror one day  
And missed my arms  
How they wrapped around your waist  
I say that you can love me again  
Even if it isn't the case

Oh  
You don't find what you're looking for  
Oh  
You're missing my love  
You don't find what you're looking for  
In case  
You're missing what you had before  
In case  
You change your mind I'll be waiting  
Here in case  
You just want to come home  
In case
