

Made In The USA

Demi Lovato

1. Our love runs deep like a chevy
If you fall i'll fall with you baby
Cause that's the way we like to do it
That's the way we like
 2. You run around open doors like a gentleman
Tell me girl every day of my everything
Cause that's the way you like to do it
That's the way you like
 3. Just a little west coast and a bit of sunshine
Hair blowing in the wind, losing time to time
Just you and I just you and I
Woah woah
- R: No matter how far we go
I want the whole world to know
I want you bad and
I wont have it any other way
No matter what the people say
I know that we'll never break
Cause our love was made
Made in the USA
Made in the USA
yeah
4. You always reading my mind like a letter
When I'm cold you're there like a sweater
Cause that's the way we like to do it
That's the way we like
 5. And never ever let the world get the best of you
Every night we're apart
I'm so next to you
Cause that's the way I like to do it
That's the way I like
 6. We touch down on the east coast
Dinner in the sky rise
winter is the best time for walking in the city lights
You and I you and I
Woah woah
- R: No matter how far we go...
- *: Cause baby I'll break the bullet
And take the blow for love, woah
Our love was made in the usa
Made in the usa (2x)
- R: No matter how far we go...
- Made in the US
