

Mistake

Demi Lovato

1. Now that I'm thinking sober
Don't you try to get no closer
I'm just gonna get in my
car and drive and drive
Looking in the rearview mirror
Everything is so much clearer
Watch me wave it all goodbye goodbye
- *: The light's flashing
giving me all the danger signs
Someone to save to save
But it don't work that way
- R: Think you made your greatest mistake
I'm not gonna call this a break
Think you really blew it this time
Think you could walk on such a bad lie
Won't be taking the midnight calls
Ignoring the rocks you throw at my wall
I see it written on your face
You know you made it Your greatest mistake
- *: Your greatest mistake
your greatest mistake
your greatest mistake
2. When the last straw is broken
When the last door is closing
I ain't that dumb to
stick around stick around
I ain't got the time for looking back
Gonna let yourself slip through the cracks
And you just keep going down, down, down
- *: I'mma stay undercover
Lay low for some time
No one to save to save
These six cycles over me
- R: Think you made your greatest mistake...
- *: Why you looking at me spitting
the same old line?
Trying to creep back
Ain't no flipping my mind
Don't you get it by now?
The story's over over
Still calling my name
outside my house
I'm hitting the switch
Watch the lights go out
Bm(hold)
Watch the lights go out
3. I hope you ache,
ache, ache, oh, oh
I hope you ache,

ache, ache, oh, oh
yeah yeah
R: Think you made your greatest mistake...
