## Mistake

**Demi Lovato** 

- Now that I'm thinking sober Don't you try to get no closer I'm just gonna get in my car and drive and drive Looking in the rearview mirror Everything is so much clearer Watch me wave it all goodbye goodbye
- \*: The light's flashing
   giving me all the danger signs
   Someone to save to save
   But it don't work that way
- R: Think you made your greatest mistake I'm not gonna call this a break Think you really blew it this time Think you could walk on such a bad lie Won't be taking the midnight calls Ignoring the rocks you throw at my wall I see it written on your face You know you made it Your greatest mistake
- \*: Your greatest mistake your greatest mistake your greatest mistake
- 2. When the last straw is broken When the last door is closing I ain't that dumb to stick around stick around I ain't got the time for looking back Gonna let yourself slip through the cracks And you just keep going down, down, down
- \*: I'mma stay undercover Lay low for some time No one to save to save These six cycles over me
  R: Think you made your greatest mistake...
- \*: Why you looking at me spitting
  the same old line?
  Trying to creep back
  Ain't no flipping my mind
  Don't you get it by now?
  The story's over over
  Still calling my name
  outside my house
  I'm hitting the switch
  Watch the lights go out
  Bm(hold)
  Watch the lights go out
- I hope you ache, ache, ache, oh, oh I hope you ache,

ache, ache, oh, oh yeah yeah R: Think you made your greatest mistake...
