

Never Been Hurt

Demi Lovato

1. I fell picture perfect
On and off the shelf to a broken frame of mind
A broken frame of mind
 2. It comes back and haunts me
A bullet under cover, it fooled me every time
Fooled me every time
 3. But even if I lose it all
I got so much left to give; I won't give up, no
My heart is on the front line, I'm not afraid
- R: I will love you, like I've never been hurt
Run through fire for you, like I've never been burned
I'm gonna risk it all like I've never lost
Gonna give it all I've got
I will love you; I will love, like I've never been hurt
Never been hurt
4. You set fire to ashes,
You fought through the darkness, And brought me back to life
You brought me back to life
- 5.=3.
R: I will love you, like I've never been hurt...
- *: I will love and forever,
I will love you like I never
Like I never heard goodbye
Like I never heard a lie
Like I'm falling into love for the first time
R: I will love you, like I've never been hurt...
