

So Far So Great

Demi Lovato

Off to the races, I'm going places
Might be a long shot, not gonna waste it
This is the big break,
And it's callin' my name, yeah

So far, so great, get with it
At least that's how I see it
Having a dream's just the beginning

So far, so great, believe it
Can't take away this feeling
Takin' a ride with chance on my side
I can't wait, so far, so great

Might need to wing it, still gonna bring it
Not gonna sink, no, I'm going swimming
Swing for the fences, sky's not the limit today
Yeah

So far, so great, get with it
At least that's how I see it
Having a dream's just the beginning

So far, so great, believe it
Can't take away this feeling
Takin' a ride with chance on my side
I can't wait, so far, so great

Everyone says don't get your hopes up
Learn the ropes and climb the ladder
I know in the end, just being here is the best
And it only gets better
It only gets better! Yeah yeah!

So far, so great, get with it
At least that's how I see it
Having a dream's just the beginning

So far, so great, believe it
Can't take away this feeling
Takin' a ride with chance on my side
Yeah, I can't wait, so far, so great
I can't wait, so far, so great

Ba, ba da da da
Da, da, da, da, da
Ba, ba, da, da, da,
Ba, da, da, da, da, yow!
