1. You speak to me
   And in your words I hear a melody
   But in the twilight it's so hard to see
   What's wrong for me

2. I can't resist
   Until you give the truth a little twist
   As if you're gonna get away with this
   You're not sorry

   I can't believe I fell for this...

R: I fell through the hole
   Down at the bottom of your soul
   Didn't think you could go so low
   Look at what you've done
   You're losing me, here's what you've won
   Got me planning to go solo, solo

3. You sing to me
   Too bad you couldn't even stay on key
   If your life is such a mystery
   Why don't you just stick to acting

4. Oh, here we go again
   You couldn't find my number until when
   You thought that you could get to my best friend
   Without a script your game is lacking

   I can't believe I fell for this...

R: I fell through the hole...

   I'd rather go to a party alone
   Than have to go around with you on my arm
   Now that I'm prone to admit that we're done
   Good luck trying to find me

   Oh, 'cause I didn't think you could go so low
   Look at what you've done
   You're losing me, here's what you've won
   Got me planning to go solo, solo
      Now we're done
   'Cause you got me planning to go solo, solo
