

# This Is Me

Demi Lovato

I've always been the kind of girl  
That hid my face  
So afraid to tell the world  
What I've got to say

But I have this dream  
Right inside of me  
I'm gonna let it show, it's time  
To let you know  
To let you know

This is real, this is me  
I'm exactly where I'm supposed to be, now  
Gonna let the light, shine on me  
Now I've found, who I am  
There's no way to hold it in  
No more hiding who I want to be  
This is me

Do you know what it's like  
To feel so in the dark  
To dream about a life  
Where you're the shining star

Even though it seems  
Like it's too far away  
I have to believe in myself  
It's the only way

This is real, This is me  
I'm exactly where I'm supposed to be, now  
Gonna let the light, shine on me  
Now I've found, who I am  
There's no way to hold it in  
No more hiding who I want to be  
This is me

You're the voice I hear inside my head  
The reason that I'm singing  
I need to find you, I gotta find you  
You're the missing piece I need  
The song inside of me  
I need to find you, I gotta find you

This is real, this is me  
I'm exactly where I'm supposed to be, now  
Gonna let the light, shine on me  
Now I've found, who I am  
There's no way to hold it in  
No more hiding who I want to be  
This is me

You're the missing piece I need  
The song inside of me (this is me)  
You're the voice I hear inside my head  
The reason that I'm singing

Now I've found, who I am  
There's no way to hold it in  
No more hiding who I want to be  
This is me
