Demi Lovato

1. She was given the world  
There's so much that  
she couldn't see  
And she needed someone  
to show her who she could be  
And she tried to survive  
Wearing her heart on her sleeve  
But I needed her to believe

R: You have your dreams I have mine  
You had your tears I was fine  
Showed me what I couldn't find  
When two different worlds collide

\*: La dee da dee da!

2. And she was giving it all  
watching from far away  
She was given a role  
Never knew just when to play  
And she tried to survive  
Living her life on her own  
Always afraid of the thrown

B (počkat)  
But you've given me  
strength to find home

R: You have your dreams...

\*: She was scared unprepared  
Lost in the dark falling apart  
I can survive with you by my side  
We'll be alright  
This is what happens  
when two worlds collide

R: You have your dreams...

\*: La dee da dee da!

R: You had your tears I was fine  
Showed me what I couldn't find  
When two different worlds collide
