

Two Pieces

Demi Lovato

1. There's a boy, lost his way, looking for someone
To play
There's a girl in the window tears rolling down her
We're only lost children, trying to find a friend
Trying to find our way A#ack home

R: We don't know where to go, so I'll just get lost with you
We'll never fall apart, cause we fit together right,
we fit together right
These dark clouds over me, rain down and run away
We'll never fall apart, cause we fit together like,
two pieces of a broken heart

2. I know where we could go and never feel let down
We can build sandcastles, I'll be the queen, you'll be my
King
We're only lost children, trying to find a friend
Trying to find our way back home

R: We don't know where to go, so I'll just get lost with you
... We'll never fall apart, cause we fit together like,
two pieces of a broken

*: Now I can lay my head down and fall asleep
Oh, but I don't have to fall asleep to see my dreams,
cause they're right there in front of me
There's a boy, lost his way, looking for someone
To play

R: We don't know where to go...

There's a boy, lost his way, looking for someone
To play
