

# Unbroken

Demi Lovato

1. Locked up tight  
Like I would never feel again  
Stuck in some kind of love prison  
And threw away the key (Oh oh)
2. Terrified  
Until I stared into your eyes  
Made me start to realize  
The possibilities (so, so)
- R: I'm gonna love you like I've never been broken  
I'm gonna say it like it's never been spoken  
Tonight Tonight  
I'm letting go, go, go, go  
I'm gonna give it like it's never been taken  
I'm gonna fall like I don't need saving  
Tonight tonight  
I'm letting go, go, go, go
3. Solve it out  
The same lies with a different face  
But there's something in the words you say  
That makes it feel all so real  
R: I'm gonna love you like I've never...
- \*: No need for me to run, run, run  
You makin' me believe in everything  
No need to go and hide, hide, hide  
Gonna give you every little piece of me
- R: I'm gonna love you like I've never been broken  
I'm gonna love you like I've never been broken  
I'm gonna love you like I've never been broken  
I'm gonna say it like it's never been spoken  
Tonight Tonight  
I'm letting go, go, go, go  
I'm gonna give it like it's never been taken  
I'm gonna fall like I don't need saving  
Tonight tonight  
I'm letting go, go, go, go
