

# You Don't Do It for Me Anymore

Demi Lovato

I see the future without you  
The hell was I doing in the past  
Now that I've learned all about you  
A love just like ours wouldn't last

I won't fall for your games  
So don't hate me when I say

That you don't do it for me anymore  
No, you don't do it for me anymore

Money won't pay for your problems  
You gotta fix them yourself  
Vices and pity won't soft them  
Stop feeling bad for yourself

I won't fall for your games  
So don't hate me when I say

That you don't do it for me anymore  
No, you don't do it for me anymore

I'm sorry for honesty  
I could not bare to lie to you, to lie with you  
I'm sorry for honesty  
I'm well aware I lie to you when I lie with you

You don't do it for me anymore  
No, you don't do it for me, don't do it for me  
No, you don't do it for me anymore  
No, you don't do it for me anymore
