

## Lost In Love

Demis Roussos

Realise, this part of love is the thinnest lies  
That don't count for much but I'm not letting go  
I believe there's so much to believe in

So lift you're eyes, if you feel you can  
Reach for a star and I'll show you a plan  
I figured it out, what I needed was someone to show me

You know you can't fool me,  
I've been loving you too long  
It started so easy,  
You want to carry on

Lost in love and I don't know much  
'cuz I'm thinking a lot and I fell out of touch  
I'm back on my feet and I'm eager to be what you wanted

So lift you're eyes, if you feel you can  
Reach for a star and I'll show you a plan  
I figured it out, what I needed was someone to show me

You know you can't fool me,  
I've been loving you too long  
It started so easy,  
You want to carry on

Lost in love and I don't know much  
'cuz I'm thinking a lot and I fell out of touch  
I'm back on my feet and I'm eager to be what you wanted

So lift you're eyes, if you feel you can  
Reach for a star and I'll show you a plan  
I figured it out, what I needed was someone to show me

Lost in love and I don't know much  
'cuz I'm thinking a lot and I fell out of touch  
I'm back on my feet and I'm eager to be what you wanted

So lift you're eyes, if you feel you can  
Reach for a star and I'll show you a plan
