Smile

Demis Roussos

Smile though your heart is aching, smile even though it's breaking, when there are clouds in the sky, you'll get by if you smile through your fear and sorrows. Smile and there'll be a tomorrow and you will see the sun come shining trough for you.

Light up your face with gladness, hide every trace of sadness for though a tear may be ever so near, that's the time you must keep on trying. Smile, what's the use of crying.

You'll find that life is still worth while if you just smile.

(Light up your face with gladness, hide every trace of sadness, although a tear may be ever so near.)

That's the time you must keep on trying. Smile, what's the use of crying. You'll find that life is still worth while if you'll just smile.
