

Stand By Me

Demis Roussos

When the night, has come
and the land is dark
and the moon
is the only light you see
No I won't be afraid
Oh I won't be afraid
Just as long, as you stand by me So darling, darling, stand by
me
Oh, stand by me
Oh, stand by me
Oh my darling, darling stand by me

If the sky, that we look upon
should just tumble and fall
Or the mountain should crumble
Into the sea
I won't cry, I won't cry
Oh I wouldn't shed a tear
Just as long as you stand, stand by me So darling, darling, sta
nd by me
Oh, stand by me
Oh my darling, darling stand, stand by me
So darling, darling, stand by me
Oh, stand by me
Oh my darling, darling stand, stand by me
