Demis Roussos

When the night, has come and the land is dark and the moon is the only light you see No I won't be afraid Oh I won't be afraid Just as long, as you stand by me So darling, darling, stand by me Oh, stand by me Oh, stand by me Oh my darling, darling stand by me If the sky, that we look upon should just tumble and fall Or the mountain should crumble Into the sea I won't cry, I won't cry Oh I wouldn't shed a tear Just as long as you stand, stand by me So darling, darling, sta nd by me Oh, stand by me Oh my darling, darling stand, stand by me So darling, darling, stand by me Oh, stand by me Oh my darling, darling stand, stand by me
