Mongoloid (Devo cover)

Demolition Hammer

Mongoloid - He was a mongoloid Happier than you and me Mongoloid - He was a mongoloid And it determined what he could see

Mongoloid - He was a mongoloid One chromosome too many Mongoloid - He was a mongoloid And it determined what he could see

And he wore a hat
And he had a job
And he brought home the bacon
So that no one knew

He was a mongoloid - Mongoloid His friends were unaware Mongoloid - He was a mongoloid Nobody even cared

Mongoloid - He was a mongoloid One chromosome too many Mongoloid - He was a mongoloid And it determined what he could see

And he wore a hat
And he had a job
And he brought home the bacon
So that no one knew
