

## Parasital Epitaph

### Demolition Hammer

Pathogenic bio-weapons  
More devastating than atomic warfare  
War machine fueled by disease  
Specters of epidemic  
Regions, condemned by contamination  
No hope, for future habitation  
Terminal plague destroying all in it's path of demise  
Micro soldiers, infiltrate life  
Consuming mankind from within  
Cities topple, ruin and dust  
Desolate barren remnant  
Anti-bio-carcinogens  
Secretly dispensed on agriculture  
Infester by native populace  
Vegetation breeding death  
Mass killing of civilians  
Virulent vapors immolate  
No cure habitat corrodes  
Deadly pestilence escalates  
Your immune system can't revitalize  
Fermenting in a noxious gas  
Pernicious toxin neuro massacre  
Brutal parasital epitaph  
Prophylactics vaccine desist  
Systematic death of vital ballations  
Inoculations cease to deter  
Caustic malignant disease  
Elaborate, precautions involved in handling  
Containment, essential discharge forbidding  
Extreme caution, potential risk of mass suicide  
Anthrax laden cattlefeed cakes  
Fueling impending decay  
Fallen livestock embody foul spores  
Festering murderous heaps  
Microscopic iconoclast  
Infestation of nations reservoirs  
Contaminating water supply  
Toxic liquid virulence
