

Waste

Demolition Hammer

Barbiturates and alcohol
Crashing through your veins
Like wrecking ball
Amphetamine and narcotic blur
Morality, crash and burn

Pathetic waste of a life
Human mistake a liar
Only do enough to get by
Excrement of society

Master - deceit
Master - deceit
Deceit...
You deserve to die

Blood sucker
Excess
Animal
Low life
Low life
Low life
No life

Begging like a starving dog
Stealing like a weasel
No remorse at all
Vindicate your soul
Not an easy thing
Mark your prey
There's no stopping

Human mistake a liar
Only do enough to get by
Excrement of society

Prey upon naïve, unfortunate
Victims, striking like a snake

Try to find a way to justify
Treason, a staple of your life
