## **Demon Hunter**

I, I see the weight of hollow death residing in you Take now your final breath Exhale the truth I see the fear of nothing left Dead fragments of youth You hold it in yourself I feel it too I mourn your blindness I die along And swallow darkness In misery is where I belong Collapsing in on yourself I don't know why I try (I try) Collapsing in on yourself I don't know why you deny I, I know the light is burning dim and dying in you I know the pain that lies within I feel it too I mourn your blindness I die along And swallow darkness In misery is where I belong Collapsing in on yourself I don't know why I try (I try) Collapsing in on yourself I don't know why you deny Collapsing in on yourself I don't know why I try (I try) Collapsing in on yourself I don't know why you deny Collapsing in on yourself I don't know why I try (I try) Collapsing in on yourself

I don't know why you deny
