

The Last One Alive

Demon Hunter

Did anyone survive?
I swear I heard your voice beyond this side.
Does anyone still try?
Does anyone still hope to set their eyes beyond this place?

Where angels fall and darkness reigns,
where time dissolves the brightest flame.

Wherever I'm the last one alive,
or ascend before my time.
Better I'm the last one alive,
than a soul denied.

So this is how we break
and this is where we find the only hope within this place.
Where angels fall and darkness reigns,
where time dissolves the brightest flame.

Wherever I'm the last one alive,
or ascend before my time.
Better I'm the last one alive,
than a soul denied.

Wherever I'm the last one alive,
or ascend before my time.
Better I'm the last one alive,
than a soul denied.

Wherever I'm the last one alive,
or ascend before my time.
Better I'm the last one alive,
than a soul denied, than a soul denied.

I'm the last one alive,
or ascend before my time.
Better I'm the last one alive,
than a soul denied.
