

# The Tide Began to Rise

Demon Hunter

I don't belong here  
I never saw this on the path I walk  
The blood-stained walls, the lines of chalk on the floor  
It's getting so hard  
I never saw the backlash when the tide began to rise  
I can't remember  
The way it was when everything felt right  
My mouth held shut and eyes sealed tight with control

So I remember on the inside...

I found a dark, infernal place I don't want to face anymore  
Somehow, I won't stop feeding the pain  
My heart's just the same as before  
I found a dark, infernal place that I don't want to face anymore...  
...somehow...

So now I'm stuck here  
Between the guilty and the insincere  
The words I spoke have left here all alone  
I should have known this  
Never saw the backlash when the tide began to rise.  
I wish it all gone.....  
I could've burned it when I had that choice  
And now I'd die to kill this noise in my head

So I remember on the inside...

I found a dark, infernal place I don't want to face anymore  
Somehow, I won't stop feeding the pain  
My heart's just the same as before  
I found a dark, infernal place that I don't want to face anymore...  
...somehow...

So I remember on the inside, the inside...

If this is all the love my spirit can give  
Just take it back tonight  
There is not a reason more to live...
