

High climber

Demon

(Dave Hill-Steve Watts)
I am the high climber
And I'm never gonna stop
Gotta keep pushing
Gonna make it to the top
I am the high climber
Got the bit between my teeth
You better watch out now
Gonna knock you off your feet
Don't stand in my way
I'm a rolling stone
A Sherman Tank
I really mean
And executive breed
High powered machine
And when I stalk the streets of Hollywood
I'll climb the stairway to the stars for sure
Cause I've got class and more
I am the high climber
And I'm never gonna stop
Gotta keep pushing
Gonna make it to the top
I am the high climber
Got the bit between my teeth
You better watch out now
Gonna knock you off your feet
I'm one big surprise
A real live wire
A megge dude
I spread it around
I'm the DJ's friend
Give points for plays
I'll buy a multi coloured rag mag
And let the critics all get rave reviews
For the bar room blues
I am the high climber
And I'm never gonna stop
Gotta keep pushing
Gonna make it to the top
I am the high climber
Got the bit between my teeth
You better watch out now
Gonna knock you off your
