

## Nothing Turned Out Right

Demon

I looked in the mirror  
But someone else had taken my place  
I pulled on my blue jeans  
Then found out I was so out of shape  
So I walked in the sunshine  
And suddenly it started to rain  
So I reached for the crossword  
But couldn't find where I'd left my brain

It's just one of those days  
When nothing turns out right  
It's just one of those days  
When nothing turns out right

I tried to hide in the darkness  
When someone went and turned up the light  
All I wanted was peace and quiet  
The everybody started to fight  
So I called for a taxi  
But the man said I'd have to wait  
Cause i thought it was tomorrow  
When I found out it was yesterday

It's just one of those days  
When nothing turns out right  
It's just one of those days  
When nothing turns out right

I turned on the T.V.  
But all I got was the same old repeats  
I asked for coke with my whisky  
And the waiter brought it to me neat  
I took a drive in the country  
But couldn't find my way out of town  
I booked a table for dinner  
But then the restaurant went and closed down

It's just one of those days  
When nothing turns out right  
It's just one of those days  
When nothing turns out right
