My Last Sunrise

Demons & Wizards

The lamb, the rose The don't exist The lamb, the rose They don't exist

These are my last words
I need to rest
In fear and anger
I'll lay down my head
A faithless spirit in a broken man

Everything is burning Rotten flesh keeps burning It's MY LAST SUNRISE in fear

The grail's in pieces
All the bliss is gone
The rose has dried out
And the lamb got slaughtered long ago
The hope became another lie
Like the nonexisting father god
I'll close my eyes, goodbye

Don't wait for me on the other side Everything is burning Rotten flesh keeps burning It's MY LAST SUNRISE in fear Don't wait for me on the other side

Golgotha - had seen nothing else but A carpenter's death Golgotha - not more maybe not even that

Suffer, grief and pain Have driven me insane

Can't you see
There's nothing real
But you and I
And I say goodbye

Hear no evil, speak no evil See no evil, feel no evil Dream no evil, fear no evil Touch no evil, taste no evil All I see and hear is evil All I think and feel is evil
