

Function

Denali

Watch it only I don't know
How to get a thing like you
I'm sold on your line
All nice and straight now
I'll tug on this end too long
Something shut down on the way here
I don't know what it is
Or what it has to do with me
Talk to me but I will promise
Something strange is coming down on me
And now it's already over
All this wasted time at being so good for you
And now it's already over
