

## Function

Denali

Watch it only I don't know  
How to get a thing like you  
I'm sold on your line  
All nice and straight now  
I'll tug on this end too long  
Something shut down on the way here  
I don't know what it is  
Or what it has to do with me  
Talk to me but I will promise  
Something strange is coming down on me  
And now it's already over  
All this wasted time at being so good for you  
And now it's already over
