

There is no color here  
I'll wait one more minute for you  
I suppose I might leave cause I can see  
Cause I can see him  
I see my killer  
My shadow has disapeared  
So has my ghost  
I'm still waiting  
I'll get you before you get me  
So many people aren't here  
But I know I was meant for you  
You'll get me before I get you so I see
