

Real Heat

Denali

I can go with the thought
Everlasting sore at some
Not a joke not for long
Take a breath, persistence can wrong
Stop slow, I could go on and on
Cause I've done well or second guess myself
Take a spot here among those who taste
Everything they want
Pockets full onto you
Break us off a piece to take home
Stop slow, I could go on and on
Cause I've done well or second guess myself
Stop slow, I could go on and on
Cause I've done well or second guess myself
