

Cause You Love Me, Baby

Deniece Williams

There's nothin' better that I like to do
Than sitting here cuddled up next to you
Cause you love me baby
Just the way I want to be loved

It's so nice lying here in your arms
Your personality has that charm
And you love me baby
Just the way I want to be loved, yea...

When I'm here with you
Are you happy too?
I can plainly see that you care... about me

Woo, I could stay here for the rest of my life,
I wanna be your lover, woman, maybe your wife
Cause you love me baby
Just the way I want to be loved

It's so nice lying here in your arms

Your personality has that charm
And you love me baby
Just the way I want to be loved... yea

Cause when I'm here with you
Tell me, are you happy too?
Yes, I can plainly see
That you care... You care about me

There ain't nothin', nothin' that I want to do
Than sit here baby cuddled up, cuddled up next to you
Cause you love me baby
Just the way I want to be loved... yea, yea

Cause you love me baby
Just the way I want to be loved
