

# I Won't Leave

Denison Witmer

I think it's fair  
To say that I knew you best  
Way back when

The place you live  
The things you'll do  
The choice you have  
That I could never understand

You could throw it all away  
Or you could throw it back to me  
I won't leave

I think it's fair  
To say you've changed  
But day by day that's something  
I can understand

You could throw it all away  
Or you could throw it back to me  
I won't leave

I'm sorry that it ends this way  
I hope you can still love me  
I won't leave
