

Money in my pocket

Dennis Brown

Money in my pocket but I just can't get no love
Money in my pocket but I just can't get no love
I'm praying for a girl to be my own
Some may say she coming but I don't believe a word she said
Cause she ran away and left me one rainy day
She made me had in mind
That the love would never die
And a now I'm alone, so alone
I'm so alone, yeah, yeah

Money in my pocket but I just can't get no love
Money in my pocket but I just can't get no love
The love I had in mind
Was very, very hard to find
Oh, it's hard for a man to live without a woman
And a woman needs a man to cling to
You'll see what love could do
After making me feel blue
Ain't that a shame, yeh oh baby
Ain't that a shame
To make me feel blue

I've got money in my pocket...
