

Revolution

Dennis Brown

Do you know what it means to have a revolution?
And what it takes to make a solution?
Fighting against oppression
Bettering down depression

Are you ready to stand up and fight the right revolution?
Are you ready to stand up and fight it's just like a soldiers?
Many are called, few are chosen
Many are called, few are chosen

Got to fight the right fight in this times

Are you ready to stand up and fight the right revolution?
Are you ready to stand up and fight it's just like a soldiers?
Many are called, few are chosen
Many are called, few are chosen

If you wanna live a, live a, live a, live a, live a, live forever
You got to love a, love a, love a, love a, love a, love each other
Say you gotta live, live, live, live on, live on forever
And love, love, love, love, love, love on another

Got to fight the right fight in this times

Living and loving and sharing and caring
A man is paid according to his work

Say we gotta live a, live a, live , live , live , live forever
Love , love , love , love , love , love, love each other
We got to live, live, live, live on, live on forever
And love, love, love, love, love, love on another

Living and loving and sharing and caring, well

Revolution, revolution
Revolution, revolution
Revolution, revolution
Revolution, revolution
