

# What's Wrong

Dennis Wilson

Love the way you move me  
Love the way you groove me  
I believe in rock and roll

You're standin' in the door girl  
Holdin' down the floor girl  
Come on and rock and roll

So what's wrong with you girl  
What's wrong with being crazy

Can't live with you  
So I think I'll live without you  
Play my rock and roll

Your words drip with honey  
While you spend my money  
It's funny to watch you girl  
So what's wrong with you girl

I'm gone I'm gone  
I'm gone I'm gone

It ain't very funny  
How you spend all my money

I'm gone I'm gone  
I'm gone I'm gone  
Do what you want to but baby don't you do it on me

Your mama thinks I'm crazy  
Your papa says I'm lazy  
Cause I play my rock and roll

My head's gettin' hazy  
My knees are gettin' shaky  
From playin' my rock and roll

I'm gone I'm gone  
Saved by rock and roll

I'm gone I'm gone  
I'm gone I'm gone

It ain't very funny  
How you spend all my money

I'm gone I'm gone  
I'm gone I'm gone

Do what you want to but baby don't you do it on me

I'm gone I'm gone  
I'm gone I'm gone
