

# You And I

Dennis Wilson

I've never seen the light  
That people talk about  
You open up my wallet  
And dust falls out

That's alright with me  
Because the songs that I'll sing  
Won't be blue mmm yeah  
Honey you and I

No more lonely nights

I'll never make the headlines  
Or the evening news  
There won't be rags to riches  
Story for me oh

But the songs that I sing  
Won't be blue  
Uh yeah  
Honey you and I ooh you and I

No more lonely nights

Take me there  
The truth the faith I have in you  
Yeah yeah yeah  
It's our melody

It's what we do together  
My Jesus you open up my heart  
You make me laugh  
When I'm feelin' down

No more lonely nights  
No more lonely nights  
No more lonely nights  
No more lonely nights  
No more lonely nights
