

## In Ear Park

Department of Eagles

All of us walk a long, steady line  
And now that you're gone,  
I have nothing but time  
To walk with your bags  
Down to the docks  
And sit in the grass  
Right in your spot  
In Ear Park...  
In Ear Park...

If you listen,  
You'd hear the waves.

Oh, we all forgot, Dear.  
We can't forget, Dear.

All the time  
All the time  
All the time  
All the time
