

## Any Second Now

Depeche Mode

She remembered all the shadows and the doubts, the same film  
Vivid pictures like a wall that's standing empty and the night  
so  
still  
Such a small affair, a relapse, someone closing like the nightc  
lub  
door  
Here again and when you speak, I watch you move away and seem s  
o sure

She is hoping to forget and the moment almost slips away  
When the colours move apart and I wonder if you want to stay

And I need to change you like the words I'm reading, don't you  
understand  
This the warning and the message, I remember as you touch my ha  
nd
