

# Broken

Depeche Mode

If you want control  
Without any pain  
How long will you suffer?  
How long will you reign

You see the friend that I knew?  
Cannot be found  
Replaced by another  
Wearing his crown

There's a place where I go  
Without any sound  
Only you can reach me  
Only you're allowed

And you're so far away  
You're so far from here  
Do you remember  
Our time without tears?

When you're falling  
I will catch you  
You don't have to fall that far  
You can make it  
I will be there  
You were broken from the start

When you were a child  
You'd dream all day long  
You'd dream of the future  
Get lost in your songs

Now that time is gone  
It's lost for you now  
Words long forgotten  
Forgotten somehow

When you're falling  
I will catch you  
You don't have to fall that far  
You can make it  
I will be there  
You were broken from the start

When you're falling  
I will catch you  
You don't have to fall that far  
You can make it  
I will be there  
You were broken from the start
