Broken

Depeche Mode

If you want control
Without any pain
How long will you suffer?
How long will you reign

You see the friend that I knew? Cannot be found Replaced by another Wearing his crown

There's a place where I go Without any sound Only you can reach me Only you're allowed

And you're so far away You're so far from here Do you remember Our time without tears?

When you're falling
I will catch you
You don't have to fall that far
You can make it
I will be there
You were broken from the start

When you were a child You'd dream all day long You'd dream of the future Get lost in your songs

Now that time is gone It's lost for you now Words long forgotten Forgotten somehow

When you're falling
I will catch you
You don't have to fall that far
You can make it
I will be there
You were broken from the start

When you're falling
I will catch you
You don't have to fall that far
You can make it
I will be there
You were broken from the start
