

Condemnation

Depeche Mode

1. Condemnation

Tried
Here on the stand
With the book in my hand
And truth on my side

2. Accusations

Lies
Hand me my sentence
I'll show no repentance
I'll suffer with pride

R1: If for honesty

You want apologies
I don't sympathize
If for kindness
You substitute blindness
Please open your eyes

3. Condemnation

Why
Because my duty
Was always to beauty
And that was my crime

4. Feel elation

To know I can trust this
Fix of injustice
Time after time

R2: If you see purity

As immaturity
Well it's no surprise
If for kindness
You substitute blindness
Please open your eyes
