

Dangerous

Depeche Mode

1. The things you do
Aren't good for my health
The moves you make you make for yourself
The means you use aren't meant to confuse
Although they do
They're the ones that I will choose

And I wouldn't want it any other way
You wouldn't let me any way

R: Dangerous
The way you leave me waiting more
That's what I want you for
When I am in your arms
Know I will come to harm

2. The lies to tell
Aren't mean to deceive
They're not there for me to believe
I've heard your vicious words
You know but now
It takes a lot to see me hurt

And I wouldn't take it any other way
But there's a price I have to pay

R: Dangerous...
