I Feel Loved

Depeche Mode

It's the dark night of my soul And temptation's taking hold But through the pain and the suffering Through the heartache and trembling

I feel loved I feel loved

As the darkness closes in In my head I hear whispering Questioning and beckoning But I'm not taken in

I feel loved I feel loved

From the depths of my emptiness Comes a feeling of inner bliss I feel wanted, I feel desired I can feel my soul on fire

I feel loved I feel loved
