

I feel you

Depeche Mode

1. I feel you - your sun it shines - I feel you - within my mind

You take me there, you take me where, the kingdom comes
You take me to and lead me through Babylon

R: This is the morning of our love
It's just the dawning of our love

2. I feel you - your heart it sings - I feel you - the joy it brings

Where heaven waits - those golden gates - and back again
You take me to - and lead me through - oblivion

R: This is the morning...

*: I feel you - Your precious soul - And I am whole
I feel you - Your rising sun - My kingdom comes

3. I feel you - each move you make - I feel you - each breath you take

Where angels sing - and spread their wings - my love's on high

You take me home - to glory's throne - by and by

R: This is the morning...
